Any such decision on the allocation of the Bank's net income to other purposes shall be taken by a majority of not less than two-thirds of the Governors, representing not less than two-thirds of the total voting power of the members. No such allocation, and no distribution, shall be made until the general reserve amounts to at least ten (10) per cent of the authorized capital stock.

1. After the date on which a member ceases to be a member, such former member shall remain liable for its direct obligations to the Bank and for its contingent liabilities to the Bank so long as any part of the loans, equity investments or guarantees contracted before it ceased to be a member are outstanding; but it shall cease to incur such liabilities with respect to loans, equity investments and guarantees entered into thereafter by the Bank and to share either in the income or the expenses of the Bank.

2. For this purpose, the purchase price of the shares shall be the value shown by the books of the Bank on the date of cessation of membership, with the original purchase price of each share being its maximum value.

3. The payment for shares repurchased by the Bank under this Article shall be governed by the following conditions:

In addition, the former member shall remain liable on any call for unpaid subscriptions under paragraph 4 of Article 6 of this Agreement, to the extent that it would have been required to respond if the impairment of capital had occurred and the call had been made at the time the repurchase price of its shares was determined.

Creditors on ordinary operations holding direct claims shall be paid first out of the assets of the Bank, secondly out of the payments to be made to the Bank in respect of unpaid paid-in shares, and then out of payments to be made to the Bank in respect of callable capital stock.
